Feed dries up in NSWABC OnlinePastoral manager Paul Martin says it's starting to sell off Dorper sheep as there isn't enough feed to keep them on. He says near Menindee, they've only had 143 millimetres of rain since March 2012. "It's certainly nothing new, but it's good to be able ...Graziers destocking in anticipation of dry seasonABC Locallos 2 artículos informativos »
